WARNING: READ BEFORE USING YOUR PLAYSTATION® GAME CONSOLE.

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game – dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions – IMMEDIATELY discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation game console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

Non-Player Characters

MONTANA MAX

Max patrols the rooms and corridors of the Looniversity attempting to capture the player. If he grabs your character, that character is then locked in their capture room and cannot be used until released by another character. Should all the characters be caught then it's game over.

ELMYRA DUFF

Elmyra patrols the rooms and corridors of the Looniversity also attempting to capture the player. Like Max, if she grabs you, your current playable character is locked in their capture room and cannot be used until released by another character. If all your characters are captured the game is over.

TIP: Escape the clutches of Max and Elmyra by moving the directional button right and left quickly.

Hints and Tips

- You will encounter other Tiny Toon characters in the game. Talk with them and they may be able to help you!

- Look at everything! There are many items all over the Looniversity and some of them will help you solve your task!

- Try combining items if you get stuck. Sometimes one item cannot solve anything but two can be helpful.

- Avoid Montana Max and Elmyra at all times! They are there to slow you down!

- Revisit places more than once. Things change all the time in the Looniversity!
